Dear Habib Girls' School Community,

As we step into 2025, I reflect with pride on the remarkable accomplishments of the past year. From academic achievements to extracurricular triumphs, our students have excelled in every endeavor. Highlights included field trips to inspiring venues, student-led entrepreneurial ventures, and impactful workshops on mental health and breast cancer awareness.

We also made significant strides in enhancing our infrastructure, ensuring our students have access to facilities that support 21st-century learning and growth.

These achievements would not have been possible without the dedication of our teachers, staff, and the unwavering support of our parents. As we move forward, I am confident that 2025 will be a year of even greater success and innovation.

Warm Regards,

Faryana Jamal
