Dear Habib Girls' School Community,

The new academic year began in August with great energy as students returned after the summer break. We celebrated Founders' Day on 19th August, reflecting on the values and vision that continue to guide us. September brought the thrill of Sports activities, encouraging teamwork, resilience, and healthy competition among our students.

This term also marks exciting developments on campus. Our newly renovated auditorium now offers a modern space for events and performances, while the Nursery Hexagon classrooms provide a creative and nurturing environment for our youngest learners.

With these beginnings, we look forward to a year filled with growth, achievement, and the continued spirit of excellence at Habib Girls' School.

Warm regards,

Faryana Jamal
