JOURNEYS *BEYOND* HABIB

MEHWISH WARSI LECTURER, UNIVERSITY OF CALGARY

Dr. Mehwish Warsi, a proud alumna of Habib Girls' School, has built a remarkable journey in medicine and community leadership. Her time at HGS instilled discipline, compassion, and confidence values that became the foundation of her career. After completing her medical education in Pakistan, she moved to Canada to specialize in family medicine. Today, she practices as a family physician in Calgary, serving patients with dedication and care.

Beyond her clinic, she is actively engaged in public health awareness, especially in preventive healthcare. She has contributed to breast cancer awareness campaigns and spoken on the importance of early detection. Dr. Warsi also serves as an office bearer at MD International, a nonprofit health organization in Calgary.

No achievement is big or small! If you'd like to get featured in the newsletter, reach out to us at hps.communications@habibschools.edu.pk, and we'll take it from there.

THEN VS NOW: *A CAMPUS* **REIMAGINED**

ECHOES OF THE PAST: THE AUDITORIUM

The auditorium at Habib Girls' School has long been an iconic space the heart of cultural, academic, and celebratory life on campus. For decades, it has served as a stage for expression, creativity, and growth, where generations of students have performed, debated, and received honors, building confidence and leadership alongside academic excellence. From Founder's Day to national competitions, it has hosted countless cherished moments, and now, with its recent renovation, the space has been reimagined to embody both modernity and elegance.

THEN VS NOW: *A CAMPUS* **REIMAGINED**

2020 VS 2025

The newly renovated Raazia Habib Chandoo Auditorium at Habib Girls' School stands as a stunning blend of elegance, innovation, and purpose. Thoughtfully designed as a multi-purpose space, this vibrant and lively venue now serves as a dynamic hub for both learning and celebration accommodating up to 200 students at a time. Once reserved for indoor sports and events, the auditorium has been transformed into a flexible, technology-integrated environment that truly reflects the digital spirit of Habib Girls' School.

THEN VS NOW: *A CAMPUS* **REIMAGINED**

Equipped with modern tablet chairs, dual multimedia setups, and a state-of-the-art sound system, it offers our students an immersive learning experience, whether they are attending an audio-visual session, a guest lecture, or a school ceremony. The original stage, a hallmark of the space, retains its traditional charm while now featuring the latest lighting and sound technologies, allowing performances and presentations to come alive.

The refined gray theme, accentuated with warm lighting, creates an ambiance that balances vibrance with sophistication. This transformation was graced by the inauguration of our esteemed Board of Trustees embodies their vision of providing our girls with a holistic educational experience that nurtures intellect, creativity, and confidence. Today, the Raazia Habib Chandoo Auditorium stands as the epicenter of school life, where our Habibians learn, perform, and shine.

CAUGHT *ON* CAMPUS

BACK TO SCHOOL: A NEW CHAPTER BEGINS WITH NURSERY WELCOME

The academic year 2025–26 began with joy and anticipation as students returned to HGS after the summer break. The corridors filled with energy as girls embraced fresh goals and new challenges. HGS also welcomed the new Nursery classes of 2025-26, marking the start of their learning journey. Teachers greeted them with warmth, ensuring a smooth and happy first day. With both new and returning students, HGS looks forward to a year of growth and achievement.

INDEPENDENCE DAY: A TRIBUTE TO THE NATION

The 78th Independence Day of Pakistan was celebrated with great fervor and patriotism at HGS. The event opened with soulful renditions of the national anthem and patriotic songs, followed by a tiny feet parade by our Pre-Primary students. The vibrant program not only filled hearts with pride but also reminded the school community of the importance of preserving the spirit of freedom through education, service, and dedication to the country.

SPORTS WEEK: STRENGTH, SPIRIT, AND SPORTSMANSHIP

The HSSC interclass and SSC interhouse sports competitions at HGS turned the playgrounds into arenas of energy and excitement. Students participated in various sports, bringing forth their skills, agility, and determination. Every team displayed discipline, perseverance, and true sportsmanship, while the cheering audience added to the lively atmosphere. The sports week once again proved that HGS is committed to nurturing both minds and bodies, fostering leadership, teamwork, and resilience through physical activity.

AWAZ-E-WATAN: VOICES UNITED IN PATRIOTISM

The Primary Section of HGS proudly hosted Awaz-e-Watan, an interschool singing competition that celebrated patriotism through music. Teams from various schools participated with great zeal, presenting choir and solo performances of national songs that stirred emotions and filled the auditorium with heartfelt melodies. The event provided young students with a platform to express their love for Pakistan while showcasing their vocal talent and confidence. Awaz-e-Watan not only celebrated music but also strengthened the bond of unity among schools, leaving everyone inspired and proud.

SCHEDULE

UPCOMING EVENTS FOR NOV

✦ **ELEVATE 2.0 (1ST NOV- 6TH NOV)**

✦ **OPEN DAY 2025 (15TH NOVEMBER)**

✦ **INTERNATIONAL CHILDREN'S DAY (20TH NOVEMBER)**

BRIDGING *GENERATIONS*

Some bonds grow stronger with time, like the one between a Habibian and their school. No matter where life takes you, there's always a way to return and make a difference. Here are a few meaningful ways to reconnect and support the next generation of students.

HOW YOU CAN MAKE AN IMPACT:

Talk About Your Career

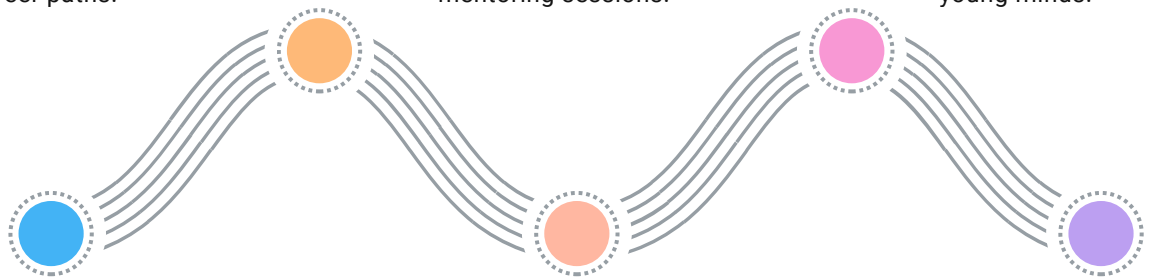

Share real-world job experiences and career paths.

Host a Wellbeing Session

Guide students through regular group mentoring sessions.

Mentor a Group of Students

Share startup stories and business tips for young minds.

Teach a Skill

Teach useful skills like public speaking, writing, or coding.

Help Arrange a Field Trip/ Internship

Inspire students through community work and activism.

Every small effort matters! If you'd like to give back in any of these ways, reach out to us at hps.communications@habibschoools.edu.pk, and we'll take it from there.
