TABLE OF CONTENTS

1. Journeys Beyond Habib

Featuring Dr. Aliya Rehman, Alumni batch of 1964

2. Then vs. Now: Campus Reimagined

Get a vibrant look at the Robotics Lab

3. Caught on Campus

Get up to date with all the happenings at the School

4. Bridging Generations

See how you can give back to your alma mater

5. The Gift of Opportunity

Donate today and change a life forever

JOURNEYS *BEYOND* HABIB

DR. ALIYA REHMAN DIRECTOR OF ORIC, UNIVERSITY OF KARACHI

A proud Habibian since 1964, Dr. Aliya Rehman began her academic journey at Habib Girls' School before earning a Bachelor's in Botany from University of Karachi, a Master's in Biology from California State University, and a Ph.D. in Marine Biology from University of Karachi. She built a distinguished career in academia, serving as a Lecturer, Head of the Botany Department,

and later as Director of ORIC at the University of Karachi—championing research and innovation.

Dr. Rehman's path reflects the strong foundation laid at HGS and continues to inspire generations of students to lead with knowledge and passion.

No achievement is big or small! If you'd like to get featured in the newsletter, reach out to us at hps.communications@habibschools.edu.pk, and we'll take it from there.

THEN VS NOW: *A CAMPUS* **REIMAGINED**

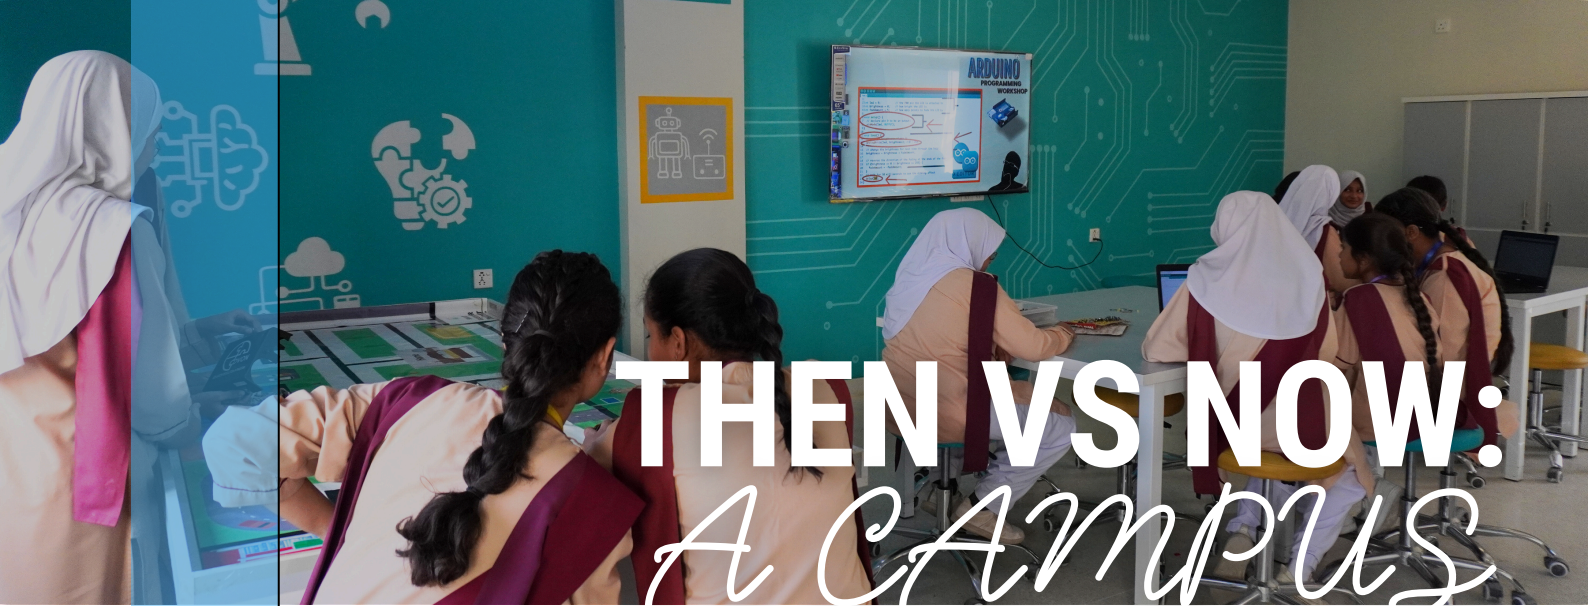

LEARNING REIMAGINED: ROBOTICS AT HGS

The Primary Robotics Lab at Habib Girls' School, established in 2024, marks an important step in introducing young learners to innovation and experiential learning. Designed as a purpose-built, hands-on space, it encourages curiosity, creativity, and early engagement with technology.

As the school's first-ever robotics facility, the lab introduces primary students to the basics of robotics, coding, and logical thinking through age-appropriate activities—helping them build confidence, collaboration, and problem-solving skills from an early age.

THEN VS NOW: *A CAMPUS* **REIMAGINED**

2020 VS 2025

The Secondary Robotics Lab at Habib Girls' School, launched in 2024, marks a major step toward future-focused STEM education. Built as the school's first dedicated robotics facility, it reflects a commitment to hands-on learning where theory meets real-world application.

Designed for advanced robotics, programming, and design-based exploration, the lab empowers SSC students to experiment, innovate, and collaborate—developing analytical thinking, teamwork, and future-ready skills for a digital world.

CAUGHT *ON* CAMPUS

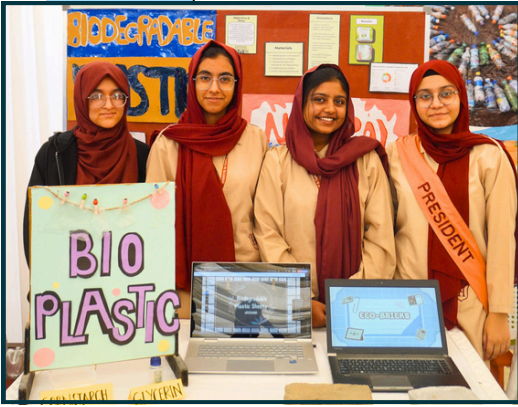

ELEVATE 2.0: UNLOCKING POTENTIAL, INSPIRING GROWTH

Elevate 2.0 was a dynamic showcase of student talent, confidence, and creativity. The event highlighted personal growth through performances, presentations, and skill-based activities featuring candidates from different schools. It reflected the spirit of self-expression and continuous improvement nurtured at Habib Girls' School.

OPEN DAY 2025: WHERE FUTURES TAKE SHAPE

Our Open Day welcomed prospective families to experience life at Habib Girls' School firsthand. From campus tours to interactive sessions, visitors explored our academic approach, facilities, and values. The event marked the beginning of many new journeys within the HGS community. **Admissions are open for Nursery, Grade XI, Lateral admissions from KG till Grade VII**

HABIB GADGETRY: WHERE IDEAS COME TO LIFE

Habib Gadgetry celebrated innovation and problem-solving through student-led technological projects. Learners demonstrated creativity, critical thinking, and practical application of STEM concepts. The exhibition showcased how ideas take shape through hands-on learning at HGS. The event welcomed various schools and received numerous acknowledgments for the creative projects.

HABIB EDUCATION REALM: ANNUAL UNIVERSITY EXPO

Habib Education Realm was a meaningful platform that brought together learning, innovation, and collaboration across Habib schools. The event highlighted academic initiatives, student engagement, and forward-thinking educational practices. It reflected a shared commitment to quality education and the continuous evolution of learning within the Habib education community.

SCHEDULE

UPCOMING EVENTS FOR JAN 2026

PARAGON 3.0 (1ST JAN - 3RD JAN)

HIGH ACHIEVERS AWARDS
CEREMONY (4TH JANUARY)

XTREAM 5.0 (17TH JANUARY)

BRIDGING *GENERATIONS*

Once a Habibian, always connected! Return, give back, and shape the future.

HOW YOU CAN MAKE AN IMPACT:

Talk About Your Career

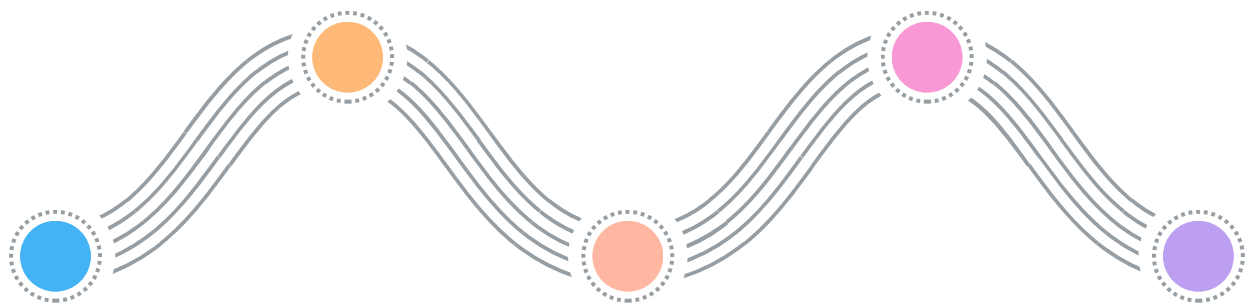

Share real-world job experiences and career paths.

Host a Wellbeing Session

Guide students through regular group mentoring sessions.

Mentor a Group of Students

Share startup stories and business tips for young minds.

Teach a Skill

Teach useful skills like public speaking, writing, or coding.

Help Arrange a Field Trip/ Internship

Inspire students through community work and activism.

Every small effort matters! If you'd like to give back in any of these ways, reach out to us at hps.communications@habibschoools.edu.pk, and we'll take it from there.

HABIB EDUCATION TRUST

ACE Program (Academic Capability Empowerment)

The Habib Education Trust believes that financial challenges should never limit a child's access to quality education.

Through ACE Program, deserving students from underprivileged families are given the opportunity to study at Habib Schools through a dedicated entry route. ACE scholars receive full support, including:

- 100% school fee subsidy
- Free transportation
- Textbooks and learning materials
- Complete school uniform
