Dear Habib Girls' School Family,

February 2026 was a month of remarkable energy and achievement. Our College section excelled in innovation through HUWISTEM III, RoboFest, and Habib Visionaries, complemented by an insightful Atlas Honda visit and Ms. Maheen Fatima's session. The arts also took center stage with The Mousetrap, followed by a heartfelt Grade XII Annual Lunch.

In the Secondary section, the Extra-Curricular Display and Bonfire celebrated student talent and community, leading to the milestone of the Final Bell. Meanwhile, our Primary students showcased their academic potential at the META Olympiad.

Thank you to our teachers and parents—the true driving force behind our students' success. We remain committed to nurturing excellence together.

Best regards,

Farzana Jamal

Principal
Habib Girls' School

Editor's Note

Dear Fellow Habibians,

This month was a powerhouse of talent and innovation! Our College section led the charge with high-tech challenges like HUWISTEM III, RoboFest, and Habib Visionaries, alongside a practical Atlas Honda visit. We gained career wisdom from Ms. Maheen Fatima, enjoyed the suspense of The Mousetrap, and celebrated our seniors at their Annual Lunch.

In the Secondary section, the Extra-Curricular Display and Bonfire showcased our vibrant school spirit, leading up to the emotional Final Bell. Meanwhile, our Primary stars shone bright at the META English and Science Olympiad. None of this would be possible without our teachers and parents—the true driving force behind our success!

Kind Regards,

Mishal Afaq

Head Girl
Habib Girls' Higher Secondary Section

SCHOOL EVENTS

EXTRA-CURRICULAR DISPLAY: A SHOWCASE OF SKILLS AND CREATIVITY

The HGS Secondary Section hosted an inspiring Extra-Curricular Display showcasing the diverse range of activities offered at HGS, giving parents a comprehensive glimpse into our vibrant extra-curricular program.

Students confidently presented their learning journeys, skills, and achievements across various activity groups, reflecting creativity, teamwork, and dedication. The display provided valuable guidance to parents and students as they consider their choices for the upcoming grade level, helping them align selections with their interests and strengths.

The event truly celebrated the spirit of holistic education and the all-round development that HGS nurtures in every learner.

BONFIRE: AN EVENING OF SHARED SMILES AND MEMORIES

Grade X students enjoyed a delightful evening of camping fun followed by cheerful moments around the bonfire. Filled with laughter, friendship, and joy, the celebration created beautiful memories to cherish in their final year at school.

EMPOWERING INNOVATION: HIGHLIGHTS FROM HABIB VISIONARIES

Habib Visionaries provided a platform for young entrepreneurs to present innovative business pitches that showcased creative ideas and practical strategies. With concepts ranging from eco-friendly daily use products to reusable decorative flowers, the event celebrated originality and problem-solving, as pitches were evaluated by esteemed judges based on creativity, feasibility, and impact.

BUILDING FOR THE FUTURE

WHERE INNOVATION MEETS INSPIRATION – OUR SMART CLASSROOMS

This year marks a digital milestone for Habib Girls' School—the launch of our newly reimagined, tech-integrated classrooms!

Equipped with interactive smart boards and ergonomic stations, our classrooms bridge the gap between traditional excellence and future-ready skills. At Habib Girls' School, we believe in creating dynamic environments that empower students to explore, encouraging critical thinking and global collaboration in every lesson. By integrating cutting-edge tools, we ensure our learning spaces nourish both intellectual curiosity and technical proficiency.

These classrooms are vibrant ecosystems where technology and pedagogy meet to support holistic student life. With flexible seating for both independent focus and group projects, this initiative reflects Habib's commitment to a forward-thinking academic community. Every digital upgrade is aimed at fostering digital fluency and academic rigor, preparing our students to lead in an ever-evolving world.

STUDENT CORNER

SMETA ENGLISH AND SCIENCE OLYMPIAD

Students from the Primary Section took part in the SMETA English and Science Olympiad, proudly securing Gold, Silver, and Bronze medals. The Olympiad provided them with an opportunity to move beyond classroom learning, engaging in creative and analytical challenges that fostered confidence and encouraged academic growth.

THE FINAL BELL RINGS: A TIME TO CELEBRATE

The students of Grade X marked their last full day at school with joy and reflection as they bid farewell to a year filled with learning, growth, and cherished memories. As they step beyond the familiar corridors, may they carry with them the knowledge gained, the friendships formed, and the confidence built along the way. We wish them every success as they pursue their aspirations and illuminate their paths with determination and excellence.

INDUSTRIAL VISIT TO ATLAS HONDA LIMITED

The Pre-Engineering students of HGHSS visited Atlas Honda Limited, where they observed the complete two-wheeler production process and learned about the company's milestones and plans. An interactive Q&A session on careers and industry insights made the visit both educational and inspiring.

HUWISTEM III COMPETITION

HGHSS students participated in HUWISTEM III, an inter-college STEM competition featuring a series of challenging rounds. Students showcased their creativity, engineering skills, and strategic thinking by building a 3D ping-pong track under time constraints and competing in STEM quizzes, rapid-fire rounds, and a Jeopardy segment. The experience strengthened teamwork and confidence, culminating in a proud first-place win in the senior category.

ROBOFEST COMPETITION: INNOVATION IN ACTION

HGHSS students participated in RoboRace Junior at the Salim Habib University RoboFest Competition and secured 1st position, receiving a cash prize of 15,000. The team designed and built a robot that successfully navigated a challenging, obstacle-filled track in the shortest time. The competition tested teamwork, creativity, and problem-solving skills, making it an exciting and rewarding experience.

THE MOUSETRAP: A THRILLING TALE OF SECRETS AND SUSPICION

The Higher Secondary Thespian Society staged its annual drama, adapted from Agatha Christie's play *The Mousetrap*. The story revolves around a peculiar group of guests who arrive at a guesthouse, only to find themselves entangled in a murder investigation when a police sergeant uncovers a dark connection between them and the murdered woman. The actors skillfully portrayed the eccentricities and hidden motives of their characters with remarkable theatrical flair. The production proved to be a resounding success, reflecting the dedication, talent, and passion for theatre demonstrated by the students of the Thespian Society.

GRADE XII ANNUAL LUNCH: A DAY TO REMEMBER

On 6 February 2026, the Grade XII students marked their annual lunch with great enthusiasm, making it a pleasant break from their academic routine. Filled with cheerful conversations and a lively atmosphere, the gathering reflected the spirit of togetherness within the graduating class. Overall, the eat-out served as a refreshing and well-organised occasion, filled with good food, laughter, and enjoyable moments shared with friends and teachers, making it a memorable experience.

ALUMNI CORNER

INSIGHTFUL ALUMNUS SESSION BY MS. MAHEEN FATIMA

HGHSS organised a motivational alumni session featuring Ms. Maheen Fatima, who shared valuable insights on personal growth during college and university life. She highlighted the importance of a positive mindset, a healthy environment, and balancing academics with personal well-being. Her inspiring journey and encouraging words motivated students to face challenges with confidence and optimism.

FACULTY CORNER

THE DRIVING FORCE BEHIND STUDENTS' SUCCESS - MS. AFROZ ANEES

Our esteemed faculty member, Ms. Afroz Anees, is one of the driving forces behind Habib Gadgetry, a research and tech projects event. She consistently encourages students to participate in various national and international competitions. With unwavering dedication, she mentored students to achieve top positions, trophies, and medals.
