## Editor's Note

Dear Fellow Habibians,

As we put together this edition, it is incredible to look back at the boundless energy, passion, and dedication that have defined our entire academic year. While this particular month gave our high school section a quiet moment of intense focus as students dedicated themselves entirely to preparing for their final Board exams, the spirit of excellence has been alive every single day across HGS. This year has been a powerful journey of pushing boundaries, learning together, and celebrating the diverse achievements of our school community. I hope this newsletter serves as an inspiring reminder of what we can accomplish when we channel our collective energy toward growth. Happy reading!

Kind Regards,

*Mishal Afq*
