Dear Habib Girls' School Family,

October has been a month of boundless energy, creativity, and remarkable achievement across our campus. From the thrilling spirit of competition at our 11th Annual Inter-School Sports Gala and the technological brilliance witnessed at Tech Sprint 2026, to our vibrant Pre-Primary Space Week and enriching academic milestones, our students continue to shine in every sphere.

As we foster a culture of holistic learning, reading initiatives, and innovative thinking, highlighted by esteemed visits and engaging student events, I am immensely proud of our girls and faculty. Thank you for your continued support in making HGS a place where ideas take flight and young minds thrive.

Best regards,

Farzana Jamal

Principal
Habib Girls' School

Editor's Note

Dear Fellow Habibians,

Welcome to the October edition of our HGS Newsletter! What an exhilarating month it has been for our school community. Filled with unforgettable highlights, ranging from our athletes dominating the Inter-School Sports Gala to young innovators coding and building during Tech Sprint 2026, and our little stars exploring the universe during Space Week, October has truly tested our creativity, collaboration, and passion.

As we turn the pages of this newsletter, we celebrate not just the events, but the hard work, teamwork, and joyful curiosity of every student and teacher behind them. I hope these stories inspire you just as much as they have inspired us!

Kind Regards,

Aira Wasay

Head Girl
Habib Girls' Higher Secondary Section

SCHOOL EVENTS

11TH ANNUAL INTER-SCHOOL SPORTS GALA

The 11th Annual Inter-School Sports Gala at Habib Girls' School brought together young athletes from 41 schools for a week of spirited competition from October 5 to 11. Students showcased their athletic talent across a range of events, including Basketball, Throwball, Netball, Volleyball, Athletics, Archery, and Tug of War, demonstrating remarkable skill, determination, and sportsmanship.

Our Under-11 Primary girls also made us proud with outstanding performances across Shot Put, High Jump, Long Jump, 50m Race, Hurdle Race, and Relay Race, securing top positions in multiple events. The Gala celebrated teamwork, discipline, and healthy competition, fostering friendships and camaraderie beyond the field. Heartfelt congratulations to all participants and sincere appreciation to the entire sports department, for their dedicated guidance and support.

THE ISLAMIAT COMPETITION: ORGANIZED BY THE AWAY-E-QALAM SOCIETY

The Islamiat Competition, organized by the Away-e-Qalam Society, featured competitive segments in Qiraat, Naat, Arabic calligraphy, and AI-generated Islamic video presentations. The event aimed to provide students with a platform to express their spiritual and creative talents. Participants were judged by respected judges based on articulation, creativity, thematic relevance, and overall presentation. The successful event highlighted the students' diverse abilities and beautifully blended the core values of faith, art, and innovation within the college community.

TECH SPRINT 2026

Habib Girls' Higher Secondary School hosted Tech Sprint 2026 from October 14–16, bringing students together for a three-day interschool programme centred on technology and innovation. Through interactive sessions and hands-on activities, participants explored Artificial Intelligence, IoT, Robotics, Cybersecurity, Quantum Computing, and App Development, developing their creativity, critical thinking, and collaborative skills.

The programme concluded with an interschool innovation pitch, where students presented practical and sustainable solutions to real-world challenges. The initiative encouraged technological exploration, entrepreneurial thinking, and the development of skills essential for the future.

MATH-O-MANIA: TESTING MINDS, CELEBRATING TEAMWORK

The Primary Section hosted Math-O-Mania, an exciting two-day inter-house Mathematics Quiz for Grades 4 and 5. Featuring multiple levels, diverse categories, and an engaging audience round, the competition challenged students' mathematical knowledge, logical reasoning, and quick-thinking skills. Coordinated by Mathematics Coordinator Ms. Sarah Qasim, the event was a testament to the dedication, teamwork, and collaborative efforts of the Mathematics team, who worked diligently to make the competition an enriching and engaging learning experience for all. The event fostered healthy competition, teamwork, and a love for learning Mathematics.

SPACE WEEK: LITTLE EXPLORERS, BIG UNIVERSE

The Pre-Primary Section celebrated Space Week with a vibrant showcase of curiosity and imagination. The highlight was the Space Week Parade, where our little learners dressed as planets, stars, astronauts, and even galaxies, bringing the wonders of the universe to life. Accompanied by their teachers, the young explorers paraded around the campus, creating a delightful spectacle while nurturing their curiosity about space and the world beyond.

TEACHER'S DAY: CELEBRATED AT OUR HIGHER SECONDARY SECTION

The Higher Secondary Section celebrated Teacher's Day at the Back Shed with a heartfelt tribute to the educators who inspire and guide their students. The celebration featured a lively game of musical chairs, students sharing letters of gratitude, and the distribution of gajras as tokens of appreciation. Specially crafted photo frames captured candid moments of joy and affection, reflecting the meaningful bonds between teachers and students and making the occasion a memorable expression of gratitude and respect.

PINKTOBER: RAISING AWARENESS, INSPIRING HOPE

The Higher Secondary Student Council marked Pinktober with an awareness initiative to educate students and faculty members about breast cancer. The activities included face painting, thumb painting, and creating a cherry blossom effect on a poster tree using thumbprints, symbolizing hope and solidarity. The Council also distributed pink awareness ribbons to students who correctly answered questions about breast cancer, combining interactive learning with a meaningful message of awareness, early detection, and support.

STUDENT CORNER

GRADE V EXTRA CURA GLIMPSE INTO PAKISTAN'S MONETARY HERITAGE - EDUCATIONAL FIELDTRIP

Grade VII students embarked on an enlightening visit to the State Bank Museum, where history came alive through rare coins, currency, stamps, and fascinating artefacts. Exploring the evolution of money from ancient coins to modern banknotes, students gained a deeper understanding of Pakistan's monetary heritage and the role of the State Bank. Students discovered that currency is more than just money, it is also a reflection of history, economy, and national identity.

EDUCATIONAL FIELDTRIP - WHERE HISTORY COMES ALIVE

What if history could be seen, not just read? Grade VI students found the answer at the National Museum of Pakistan, where ancient artefacts, Gandharan sculptures, miniature paintings, and relics of the Pakistan Movement offered a vivid glimpse into the past. The experience brought their classroom learning to life, helping them connect historical events and civilizations with tangible evidence. More than a field trip, it was an opportunity to see, explore, and understand history beyond the pages of a textbook.
