

## WELCOME TO HABIB PUBLIC SCHOOL!

## Habib Public School

Good day, fellow alumni. We hope this newsletter brings back fond memories of the strengths and values that have always been central to Habib Public School. This school, a not-for-profit organization and a purpose built K-12 institution, continues to stand strong with its full day program and focus on experiential learning. Our affiliations with Cambridge Assessment International Education (CAIE) and the Aga Khan University Examination Board (AKUEB) continue to reflect our dedication to academic excellence.

Spanning 18 acres, our campus is thoughtfully organized into five sections, serving Grades 1 through 10, and includes one of the few High Schools for Grades 11 and 12 in Pakistan.

We are proud of the holistic curriculum and diverse co-curricular opportunities that have always set our students apart. The achievements of our alumni—many of whom have risen to prominent roles as CEOs, Olympians, and trailblazing entrepreneurs—highlight the enduring impact of their time here.

## Equality in Education

The Habib Education Trust is committed to making high-quality education accessible to all through HPS and HGS, regardless of their financial background. Every year, the Trust helps countless families pay their child's school tuition fees as well as many various school-related expenses (e.g., the cost of textbooks, uniforms, stationery, transportation, etc.). The Trust is committed to your child's right of privacy and thus has a strictly enforced rule of anonymity with regards to which students may be receiving financial aid. Neither teachers nor students will be made aware of which students are on aid and which are not, and this helps to promote a sense of dignity and equality for all in the classroom.

## How your donation helps

For six decades, the schools have been providing quality education to the financially challenged children of our country, providing education for empowerment. We believe education has the power to change not only individuals' lives, but the generations. With the help of our esteemed donors, we continue transforming the lives. Every contribution is valued greatly and managed fairly.

## School Student Support Program - Financial Aid Program

Habib Education Trust offers two financial assistance programs to the students of Habib Public School:

### The Academic Capability Empowerment (ACE)

The ACE Program is designed to support students who lack the financial means to attend school. Through this program, deserving students are provided with full financial assistance, including school fees, books, transportation, and uniforms. Seats are allocated for various entry points at Habib Public School to ensure access to quality education.

### Financial Assistance Program (FAP)

The Financial Assistance Program provides support for students whose families face financial hardship. This program offers fee concessions through grants, loans, or a combination of both, ensuring that no student is denied education due to financial constraints. Families are encouraged to apply, and assistance may cover fees, books, uniforms, and transportation costs.
