JOURNEYS *BEYOND* HABIB

AYAAZ MEHMOOD OLYMPIC GOLD MEDALIST

In 1984, a young athlete graduated from Habib Public School achieved what few could even dream of becoming an Olympic Gold Medalist in Los Angeles. He is a proud Habibian. Ayaaaz Mehmood is a true example of hard work and dedication. His journey from being a determined student to achieving one of the highest honors reflects his persistence, resilience, and passion for excellence.

Ayaaaz's story reminds us that success comes to those who are willing to put in the work consistently and never lose sight of their goals. His accomplishment has earned him recognition and respect, inspiring countless others to aim higher and chase their dreams fearlessly and his gold medal stands as a symbol of not only his talent but also his spirit of never giving up.

No achievement is big or small! If you'd like to get featured in the newsletter, reach out to us at hps.communications@habibschoools.edu.pk, and we'll take it from there.

THEN VS NOW: *A CAMPUS* **REIMAGINED**

JUNIOR LIBRARY

For decades, the library at Habib Public School stood at the heart of learning humble in appearance but profound in impact. It was where generations of students discovered the joy of reading, the value of knowledge, and the discipline of independent learning. For many, it became a space of comfort and inspiration, where imagination took root and dreams began. Cherished by Old Habibians, the library remains a lasting symbol of HPS's commitment to nurturing minds and shaping lifelong learners through the power of books.

THEN VS NOW: *A CAMPUS* **REIMAGINED**

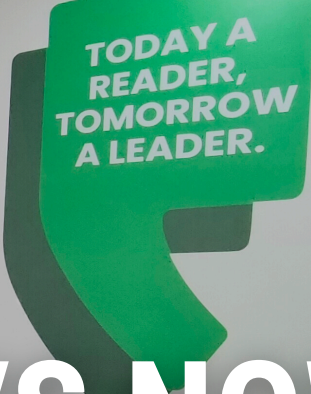

2020 VS 2025

A new chapter unfolds at Habib Public School one that celebrates imagination, innovation, and the joy of discovery.

The newly transformed Junior Library stands as a vibrant symbol of our ongoing journey toward holistic education and digital transformation. What was once a quiet corner filled with books has now become the beating heart of curiosity a space where learning takes on new meaning. Every detail reflects our belief that education should not only inform but also inspire. It's a place where our young learners can think freely, explore boldly, and dream endlessly where the foundation of lifelong learning is built

TODAY A
READER,
TOMORROW
A LEADER.

THEN VS NOW: *A CAMPUS* REIMAGINED

2020 VS 2025

The new Junior Library at HPS beautifully blends tradition with technology, creating a space where curiosity, imagination, and learning come together. With a rich collection of children's literature, interactive tablets, a smart TV for visual learning, and it offers a multi-sensory environment where students can read, explore, and engage like never before. Every corner of the library has been designed to awaken wonder from cozy reading books to colorful storytelling zones and collaborative digital experience that make learning interactive and joyful. Here, lessons go beyond textbooks, as students experience knowledge through stories, visuals, and hands-on exploration perfectly embodying our belief in "Making Learning Fun."

The Junior Library stands as a proud symbol of HPS's commitment to holistic education and digital transformation. It is a vision realized a space where books meet bytes, and where every young Habibian finds a world within a room.

CAUGHT *ON* CAMPUS

PLANTATION DRIVE: ROOTING LEGACY, GROWING FUTURES

On Saturday, August 30th, Habib Public School organized a plantation drive in which the Managing Trustee and alumni joined students to plant trees on the school grounds. Each tree was named after its planter, creating a lasting symbol of connection between alumni and the school. The activity highlighted the importance of environmental care while also reminding students of the legacy that past generations of Habibians continue to build.

INDEPENDENCE DAY CELEBRATION: A TRIBUTE TO FREEDOM AND UNITY

Habib Public School marked Independence Day with a series of performances, speeches, and activities led by students. The campus was filled with patriotic songs, green and white dress, and a strong sense of national pride. Through the program, students reflected on the sacrifices made for Pakistan and renewed their commitment to contribute positively to the country's future.

STATE BANK VISIT: LEARNING BEYOND THE CLASSROOM

The students of Class IX and X visited the State Bank of Pakistan as part of their learning beyond the classroom. During the trip, they explored the building, observed different sections, and learned about the role of the State Bank in managing Pakistan's economy. They also had the chance to see historical currency displays, which connected their studies with real-life examples. The visit helped students understand how financial institutions function and why they are important for the country.

JUNIOR CHEF DAY: COOKING UP CREATIVITY AND TEAMWORK

Junior Chef Day was organized for our younger students, giving them a chance to learn through a hands-on activity. Guided by their teachers, students worked in groups to prepare simple food items and baked treats in their classrooms. The activity encouraged teamwork, responsibility, and creativity, while also making learning enjoyable. Students proudly shared what they made, and the day gave them a new way to apply skills outside of textbooks.

SCHEDULE

UPCOMING EVENTS FOR NOV

- ★ ALAMA IQBAL DAY (11TH NOVEMBER)
- ★ SPORTS DAY (14TH NOVEMBER)
- ★ CHILDREN DAY (20TH NOVEMBER)

BRIDGING *GENERATIONS*

Some bonds grow stronger with time, like the one between a Habibian and their school. No matter where life takes you, there's always a way to return and make a difference. Here are a few meaningful ways to reconnect and support the next generation of students.

HOW YOU CAN MAKE AN IMPACT:

Talk About Your Career

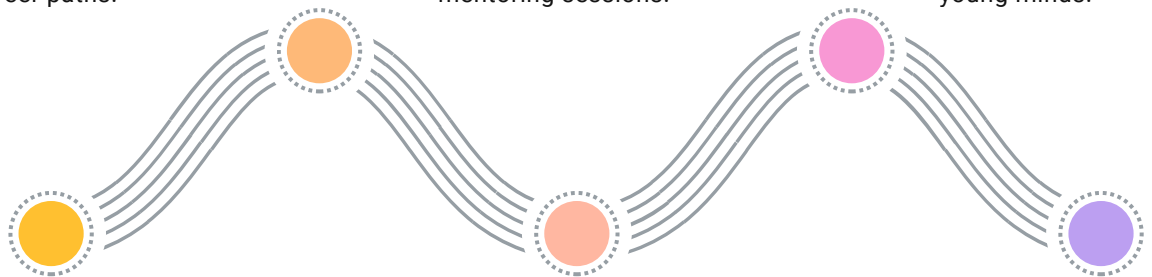

Share real-world job experiences and career paths.

Host a Wellbeing Session

Guide students through regular group mentoring sessions.

Mentor a Group of Students

Share startup stories and business tips for young minds.

Teach a Skill

Teach useful skills like public speaking, writing, or coding.

Help Arrange a Field Trip/ Internship

Inspire students through community work and activism.

Every small effort matters! If you'd like to give back in any of these ways, reach out to us at hps.communications@habibschools.edu.pk, and we'll take it from there.

THE GIFT OF OPPORTUNITY

DONATION PROCESS

SPONSORSHIP PACKAGES

STUDENT PROGRAM PROGRAM						
		Products	One Time Cost (OTC)	Per Month	Per Annum	Duration
