Sports Highlights

Dear Reader,

As we move through another productive term at Habib Public School, I am inspired by the dedication of our community and our shared commitment to excellence.

To continue growing as educators, I recently conducted a session on "Wellbeing" at AKU-IED and presented on "Digital Transformation in Education" at SPELT's 41st International Conference. Both engagements offered valuable insights into nurturing a supportive school culture and strengthening our use of technology in teaching. I am grateful to Mr. Malik Zeeshan of HPHS for collaborating with me at SPELT.

I look forward to applying these learnings to further enrich our practices at Habib Public School and High School as we continue our journey of growth and innovation together.

Regards,

Minhas Tejani

Principal
Habib Public School & High School

Dear Readers,

Welcome to the November edition of our school newsletter! This issue celebrates not only the achievements and milestones of our students but also the core values that shape our "Leader in Me" journey. From practicing the 7 Habits in our daily lives to leading with purpose and empathy, our students continue to grow as confident and compassionate leaders.

This month brought an extra wave of excitement to our school grounds with a series of spirited sports events. Through teamwork, perseverance, and sportsmanship, our students reminded us that leadership is not just about words—it's about action, dedication, and heart. As Editor-in-Chief, I would like to express my heartfelt gratitude to the newsletter team and all contributors for their creativity and commitment in bringing this edition to life. May this issue inspire you to lead,

Best Regards,

Ale Imran

LEADER IN ME

LIGHTHOUSE TEAM

Reflections from the Lighthouse Team – Growing as Leaders

The members of our Student Lighthouse Team share how The Leader in Me journey has inspired them to grow as confident, responsible, and caring leaders—both in and out of the classroom. Through reflection and practice, they continue to light the way for others with positivity and purpose.

Leadership Begins Within **By Hasnain Asghar Bilgrami, Grade 7K**

Being part of the Lighthouse Team has taught me that leadership starts within. The 7 Habits inspire me to be proactive, kind, and supportive. I strive to spread positivity, work as a team, and help others grow because true leadership builds a better world.

Leading Through Action **By S.M. Mehdi Jaffri, 8-N**

Through the Leader in Me program, I helped students apply the 7 Habits in daily life being proactive, setting goals, and working together. Seeing these habits shape a more positive school environment taught me that real leadership begins with small, inspiring actions.

Leading Myself First **By Muhammad Azaan Ahmed, 7-L**

Being part of the Leader in Me journey has helped me grow as a person and leader. I've learned to lead myself by being proactive, setting goals, and making responsible choices. It has shown me that every student can make a positive difference.
