## Dear HPS Family,

Assalam-o-Alaikum and warm greetings. March brings a season of renewal through Ramadan, Eid-ul-Fitr, and Easter. These occasions unite us in the shared values of faith, compassion, and hope.

As part of the Leader in Me process, we focus on Habit 1: Be Proactive. This involves taking responsibility for our choices and contributing to society. I invite you to practice our core values of respect, integrity, and service. Let us take the initiative to do good and make thoughtful decisions for our community. Wishing you and your families a month filled with peace, reflection, and joy.

Regards,

*Minhas Tejani*

Principal  
Habib Public School & High School

## Dear Readers,

As we move further into the academic year, this edition of The Newsletter reflects a time of growth, reflection, and learning. Guided by the values of the Leader in Me (LIM) program, our students continue to develop leadership, responsibility, and empathy in their daily experiences. The holy month of Ramadan reminds us of the importance of patience, compassion, and gratitude. As we approach the joyous occasion of Eid, we hope these values continue to inspire our school community. At the same time, our board classes are engaged in their mock and preliminary examinations and will soon begin their study leave in preparation for the upcoming board exams. We wish them focus and success as they take this important step forward. Wishing everyone a meaningful Ramadan and a joyful Eid.

Best Regards,

*Ale Imran*

# LEADER IN ME

## READING CLUB REFLECTIONS THROUGH LIM

In a recent Reading Club session, students explored leadership through the actions and decisions of story characters. Linking their reflections with the Leader in Me (LIM) habits, they connected fictional situations with real-life choices – discovering that leadership is not only about success, but also about honesty, patience, initiative, and emotional strength.

**SYED MUHAMMAD ALI (VI-L) :** Leadership begins with standing up for others, even in tough situations.

Inspired by football legend Lionel Messi, Syed Muhammad Ali reflected on how honesty and fairness are powerful leadership traits. He admired a moment when Messi demonstrated integrity during a match and connected this to real life by deciding to support a friend facing bullying – showing that leadership often begins with standing up for others.

**ALI MUHAMMAD (VI-L) :** True Leadership means controlling emotions and avoiding jealousy

Inspired by football legend Lionel Messi, Syed Muhammad Ali reflected on how honesty and fairness are powerful leadership traits. He admired a moment when Messi demonstrated integrity during a match and connected this to real life by deciding to support a friend facing bullying – showing that leadership often begins with standing up for others.

**SYED MUHAMMAD SAAD HUSSAIN (VI-M) :** Taking initiative helps me grow and support others in every challenge

Reflecting on Rafey from “Middle School,” Saad shared how leadership is shown through initiative. When the group lacked guidance, the character stepped forward to support others. Inspired by this, Saad resolved to take initiative in his own life by working proactively on subjects he finds challenging.

**ADIYYA ARIF (VII-M)** : Patience and teamwork are key to supporting family and friends

Adiyya reflected on Charlie Bucket from "Charlie and the Chocolate Factory", recognizing patience and responsibility as important leadership qualities. The reflection connected to the importance of supporting family and collaborating with others.

**LIM CONNECTION: STUDENTS CONNECTED THEIR REFLECTIONS WITH:**

- ✔ Habit 1 – Be Proactive
- ✔ Habit 2 – Begin with the End in Mind

**"Through stories, students continue to discover the leader within themselves."**

## HABIB PUBLIC SCHOOL STUDENTS EXPLORE LEADERSHIP AT TLS LIGHTHOUSE SCHOOL

Students from Habib Public School recently had an inspiring visit to TLS Lighthouse School, where they witnessed a thriving culture of student leadership in action. They saw firsthand how TLS students take initiative, lead with confidence, and make meaningful contributions to their school community.

Guided by TLS students and staff, our students actively participated in presentations, discussions, and school tours, gaining practical insights into leadership, collaboration, and innovation. The visit left them energized and motivated, eager to bring these ideas back to Habib Public School.

We sincerely thank TLS Lighthouse School for their warm welcome and for sharing their journey—this experience has provided our students with valuable lessons to grow as confident, responsible, and proactive leaders.
