## KAMRAN BILGRAMI

BATCH OF 1997

Kamran Bilgrami is an alumnus of Habib Public School, Karachi, and currently serves as Director of the Center for Executive Education (CEE) and the ADR International Center (ADRIC) at the Institute of Business Administration (IBA), Karachi. He also serves as President of OPEN Karachi, the Karachi chapter of OPEN Global, where he works to connect Pakistan's entrepreneurial ecosystem with the global Pakistani diaspora.

With nearly two decades of experience in executive education, industry engagement, and leadership development, Kamran has been actively involved in designing programs and initiatives that strengthen professional capacity across corporate, public, and development sectors. Besides IBA, he has also served at Institute of Business Management, Pakistan Institute of Corporate Governance, and Dow University of Health Sciences.

Kamran holds a BS in Computer Science from the University of Karachi, an MSc in Marketing from Leeds Metropolitan University, UK, and is also a Singapore-qualified mediator. Through his work across education, governance, and entrepreneurial ecosystems, he continues to contribute to leadership development and institutional collaboration in Pakistan.

*"Some institutions educate you. Habib Public School shapes you.*

*When I think of HPS, I remember the long school days that felt like a complete world of their own, mornings beginning with the parade and the HPS pledge, reminding us every single day of the values we were expected to live by. Those words were not just recited; over time they quietly became part of who we are.*

*I remember the sports grounds, the discipline, the friendships, and the healthy competition that taught us resilience and teamwork. And most importantly, the teachers who guided us not only through textbooks but through life, helping us understand character, responsibility, and purpose."*

No achievement is big or small! If you'd like to get featured in the newsletter, reach out to us at

# CAUGHT *ON* CAMPUS

## THE SPARK PROGRAM: MARKETING INTERNSHIP

The inaugural Spark Program at Habib Public School reached a triumphant conclusion with a certification ceremony led by Ms. Rabia Saleem, CTO of Habib Schools and Habib Education Trust. This high-energy internship bridged the gap between academic theory and professional practice, allowing students to lead content strategies and produce professional-grade visuals for the school. This initiative stands as a testament to the technical innovation and dedication of our interns, proving that Habibians are truly future-ready for the professional world. It also reflects Habib's commitment to nurturing real-world skills, empowering students to think creatively and act confidently beyond the classroom.

The Spark Program marks the beginning of many such opportunities where students will continue to learn, lead, and create impact.

## HIGH SCHOOL OPEN HOUSE 2026

The HPS campus was buzzing with energy as we opened our doors to prospective students and families for the High School Open House. Visitors experienced the unique Habibian journey through interactive laboratory demonstrations, athletic displays, and one-on-one sessions with our expert faculty. The event provided a platform for the future Class of Grade 11 to explore our vision for character building and academic excellence, showcasing the vibrant community and state-of-the-art facilities that empower our students to lead and excel.

## GOLDEN JUBILEE: ALUMNI BATCH OF 1976

In a historic celebration of brotherhood, Habib Public School hosted a Golden Jubilee Reunion for the Alumni Batch of 1976, marking five decades since their graduation. These visionary leaders returned to their alma mater to relive cherished memories and witness firsthand how the legacy they built continues to thrive through our modernized facilities. Their presence served as a powerful bridge between our storied past and our innovative future, reminding the current student body that the bond of the Habibian brotherhood remains truly unbreakable.

# SCHEDULE

## UPCOMING EVENTS FOR MAY 2026

- ★ MOTHER DAY
- ★ EID-UL-ADHA
- ★ LABOR DAY
- ★ BEST OF LUCK FOR EXAMS

# BRIDGING *GENERATIONS*

Once a Habibian, always connected! Return, give back, and shape the future.

## HOW YOU CAN MAKE AN IMPACT:

### Talk About Your Career

Share real-world job experiences and career paths.

### Host a Wellbeing Session

Guide students through regular group mentoring sessions.

### Mentor the Students

Share startup stories and business tips for young minds.

### Teach a Skill

Teach useful skills like public speaking, writing, or coding.

### Help Arrange a Field Trip/ Internship

Inspire students through community work and activism.

Every small effort matters! If you'd like to give back in any of these ways, reach out to us at [hps.communications@habibschoools.edu.pk](mailto:hps.communications@habibschoools.edu.pk), and we'll take it from there.

HABIB EDUCATION TRUST

## **ACE Program (Academic Capability Empowerment)**

The Habib Education Trust believes that financial challenges should never limit a child's access to quality education.

Through ACE Program, deserving students from underprivileged families are given the opportunity to study at Habib Schools through a dedicated entry route. ACE scholars receive full support, including:

- 100% school fee subsidy
- Free transportation
- Textbooks and learning materials
- Complete school uniform
