5. Bridging Generations

See how you can give back to your alma mater

JOURNEYS *BEYOND* HABIB

BADAR RAIS

BATCH OF 2000

FOUNDER, NEXTGEN PACKAGING CONSULTANCY

Stepping onto Habib Public School's sprawling 18-acre campus in Grade six set the foundation for an unforgettable journey. Guided by his father's belief that open spaces cultivate an expansive mind, those formative years leading up to his O-Levels became some of the most cherished times of his life. Reflecting a quarter-century after graduation, Badar credits his alma mater for instilling true resilience, practical wisdom, and the inner strength to tackle life's challenges head-on. Among his fondest memories is serving as a school house captain and leading Yellow House to consecutive victories for two years—a rewarding leadership experience that shaped his character. Returning to campus 25 years later, he witnessed firsthand the remarkable evolution of the institution from the state-of-the-art Toyota Gymnasium and international-grade hockey field to the modern running track. Walking the familiar grounds once more brought a unique sense of joy, alongside a nostalgic admiration for the incredible facilities now available to current students. For Badar, seeing how the school has progressed far beyond his own era is a profound source of pride. Once a Habibian, always a Habibian!

No achievement is big or small! If you'd like to get featured in the newsletter, reach out to us at hps.communications@habibschools.edu.pk, and we'll take it from there.

THEN VS NOW: *A CAMPUS* **REIMAGINED**

A FOUNDATION OF MUSICAL CURIOSITY

Before the recent renovations, the Pre-Junior and Junior Music rooms served as vibrant, traditional spaces where young Habibians first explored the fundamentals of rhythm and melody. Set up in a classic classroom arrangement, students gathered attentively around their instructors while surrounded by essential instruments like keyboards, speakers, and whiteboards displaying musical notes. These foundational spaces fostered early artistic curiosity and interactive learning, laying the groundwork for our students to appreciate the arts and express their creativity before stepping into our newly modernized facilities.

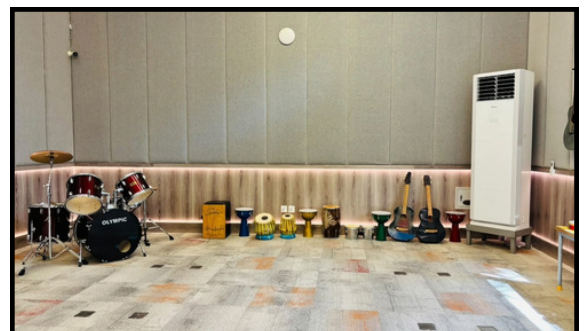

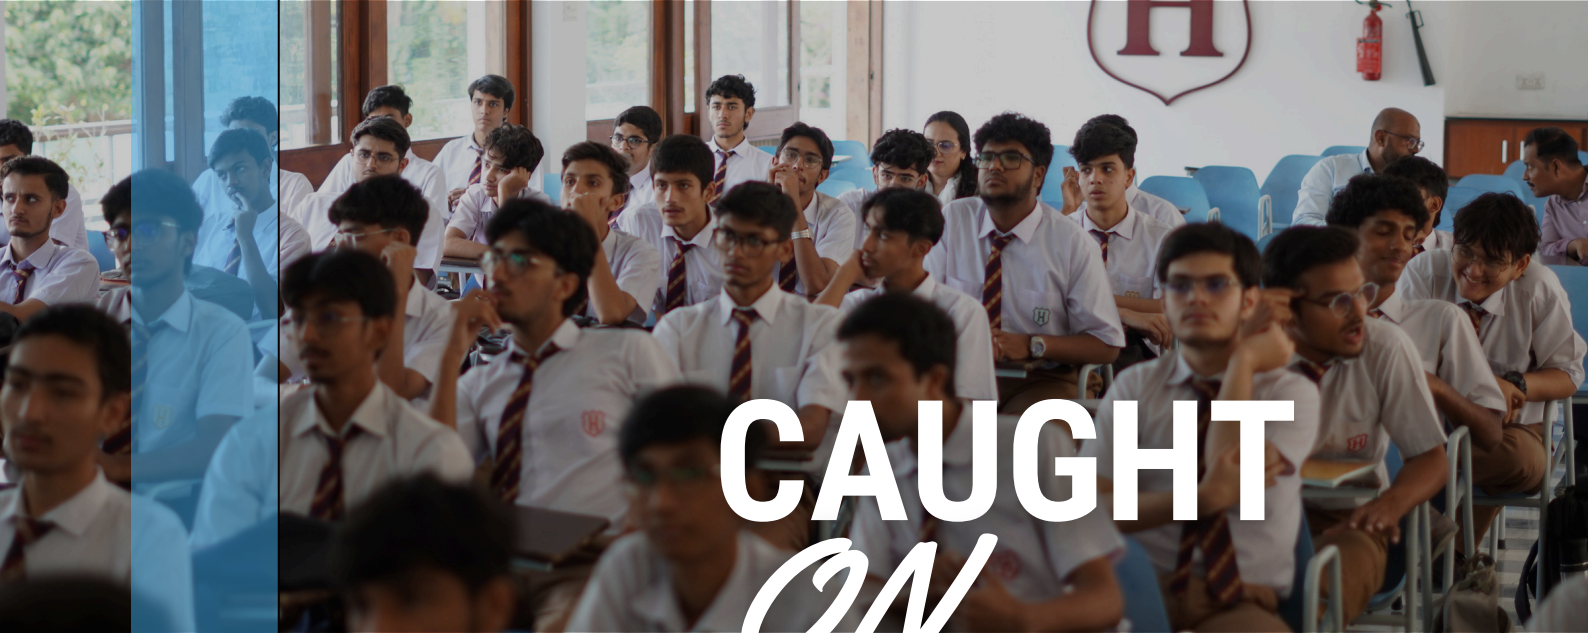

THEN VS NOW: *A CAMPUS* **REIMAGINED**

A WORLD CLASS MODERN MUSIC FACILITY

Our pre-junior and junior sections now feature a dedicated, separate building built exclusively for music, transformed into world-class jamming spaces to international standards. Accommodating up to 31 to 32 students from Grade 1 to Grade 4, the renovated facility features complete soundproofing, carpeting, and strategically placed floor sockets for plugging in instruments anywhere. Learning follows a seamless flow: lessons start with basic music theory on instructional boards, moving directly into hands-on instrument practice with zero external homework required. Students explore an extensive equipment collection, including electronic pianos, ukuleles, guitars, and percussion instruments like hand drums, tambourines, and a full drum kit reserved for student exposure and senior/higher-level demonstrations (alongside brass instrument families typically used in senior rooms). This immersive space provides an inspiring environment for young Habibians to grow their musical creativity.

CAUGHT *ON* CAMPUS

ALUMNI PLANTATION DRIVE & SILVER JUBILEE CELEBRATION

A few months ago, Habib Public School joyfully welcomed home the Batch of 2000 for their milestone Silver Jubilee Celebration and Alumni Plantation Drive. Marking 25 years since graduation, alumni returned to their roots to reconnect with the campus and lead a meaningful environmental initiative alongside our youngest Habibians from Grades 1 to 5. Together, they planted trees across the school grounds, leaving a lasting green legacy for future generations. We extend our deepest gratitude to Mr. Badar Rais for facilitating this unforgettable homecoming and to Mr. Habib Maqbool Elahi for generously donating the saplings that now enrich our campus. Once a Habibian, always a Habibian!

HP HS SPORTS GALA 2026

The HP HS Sports Gala brought high energy and excitement as students assembled for the oath-taking ceremony before competing across our professional grounds, gymnasium, and swimming pool. From thrilling football matches and races to cricket and swimming, participants displayed exceptional sportsmanship and fierce competitive drive. The spirited events concluded with student disbursement ahead of the upcoming prize distribution ceremony in the HP HS assembly.

ALUMNI ED-TALK SESSION

Ed-Talk session at the AKU section brought our school environment to life as students eagerly engaged in an interactive, thought-provoking dialogue with an inspiring Habib Public School alumnus, Talha Kamran. The visiting alumnus shared valuable perspectives, expressing great delight in returning to his alma mater and witnessing the exceptional curiosity and active participation of the students. These mentoring initiatives connect students directly with successful professionals from our alumni network, broadening their horizons and equipping them for a bright future.

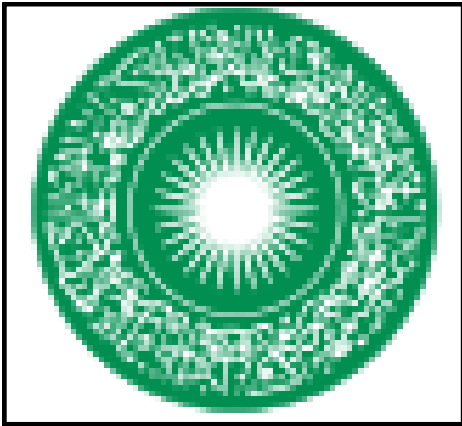

PAKISTAN NAVY CAREER SESSION AT HPS

Habib Public School recently welcomed the Pakistan Navy for an official career guidance session tailored for high school students. The interactive program provided a comprehensive look into life in the Navy, guiding students through eligibility criteria and career paths. Students actively explored commissioned officer tracks, educational sponsorship programs, and technical branches available post-matriculation and intermediate. Such impactful sessions continue to open doors for students.

NEW ACADEMIC YEAR 2026–2027

Habib Public School warmly welcomed its newest Grade 1 and Grade 11 students for an exciting start to their learning journey, filled with curiosity, bright smiles, and new friendships. Meanwhile, returning students brought boundless enthusiasm and energy as the whole school was welcomed back in August, filling classrooms and school grounds with laughter and a renewed spirit of learning. We wish all our students a happy, successful, and rewarding year ahead!

CELEBRATING ACADEMIC EXCELLENCE: AKU-EB RESULTS 2026

Habib Public School proudly celebrates the stellar performance of our students in the AKU-EB Results 2026, with learners securing top regional positions in Science-Computer Science and Pre-Engineering. Brilliant students also earned Subject-Wise Distinctions, including SSC achievements in Computer Science, Pakistan Studies, and Mathematics (SSC I). At the HSSC level, notable distinctions were achieved in Physics (HSSC I), Computer Science (HSSC I), and Islamiyaat (HSSC II). Warmest congratulations go out to our high achievers, proud parents, and dedicated faculty for continuing our legacy of academic excellence.

★ OPEN DAY

SERVICES TO OUR PARENTS: SEAMLESS & SECURE ONLINE PAYMENT

Habib Public School has been serving parents by offering online fee payment submission for many years to provide a smooth, hassle-free administrative experience. Through our online fees system, parents can manage fee securely from the comfort of their homes.

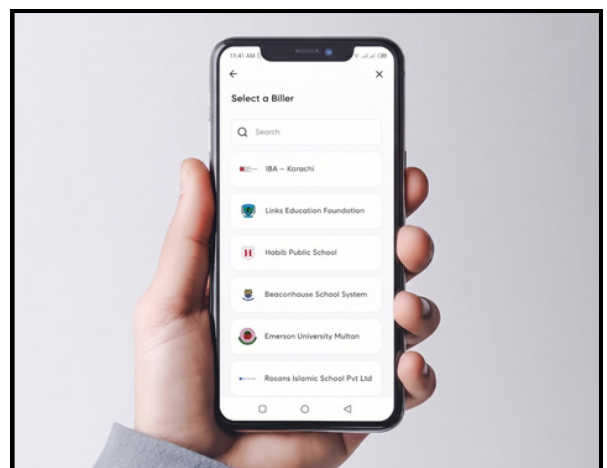

As part of our commitment to digital convenience, our streamlined online banking channel ensures that your transactions are fast, secure, and fully transparent.

Following are the online fee payment methods:

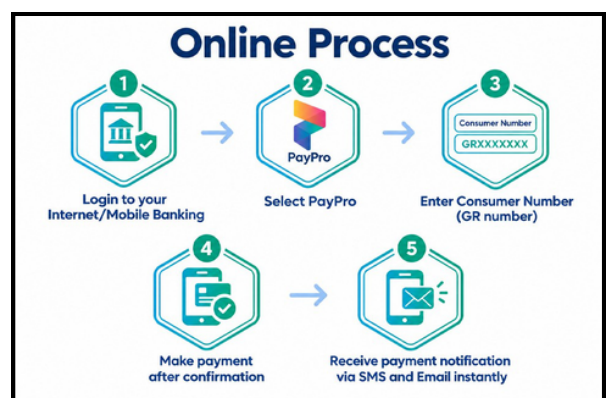

Bank AL Habib App

In the Bank AL Habib app, go to the payable/bill section, select the Education option, and then select Habib Public School.

Other Banks App

Here refer to the step-by-step guide for a quick overview of how to complete your fee payments easily via internet banking.

BRIDGING *GENERATIONS*

Once a Habibian, always connected! Return, give back, and shape the future.

HOW YOU CAN MAKE AN IMPACT:

Talk About Your Career

Share real-world job experiences and career paths.

Host a Wellbeing Session

Guide students through regular group mentoring sessions.

Mentor the Students

Share startup stories and business tips for young minds.

Teach a Skill

Teach useful skills like public speaking, writing, or coding.

Help Arrange a Field Trip/ Internship

Inspire students through community work and activism.

Every small effort matters! If you'd like to give back in any of these ways, reach out to us at hps.communications@habibschoools.edu.pk, and we'll take it from there.

HABIB EDUCATION TRUST

ACE Program (Academic Capability Empowerment)

The Habib Education Trust believes that financial challenges should never limit a child's access to quality education.

Through ACE Program, deserving students from underprivileged families are given the opportunity to study at Habib Schools through a dedicated entry route. ACE scholars receive full support, including:

- 100% school fee subsidy
- Free transportation
- Textbooks and learning materials
- Complete school uniform
