NEWSLETTER

Dear HPS Family,

This month, our community focus is Honesty, at the heart of who we hope our students become. Habibian honesty is tested in quieter moments: admitting homework wasn't done, returning a lost item, or writing "I don't understand this yet."

True honesty means truthful words, genuine work, and character that stays constant whether anyone is watching. Children speak the truth most readily when honesty meets understanding, and this is built slowly through the partnership of home and school.

Thank you, faculty and parents, for helping us shape young people whose word can always be trusted.

Regards,

Principal

Habib Public School & High School

Dear Readers,

October has been a month of energy, achievement, and memorable experiences at HPS, from celebrating Teachers' Day to field trips, the Paramount Book Fair, and the Young Orators competition.

Beyond the classroom, our House Leaders proudly received their ties, while Enrichment Clubs continued to bring students together to explore new talents. Our students have truly embraced these opportunities to showcase their vibrant school spirit and collaborate across grade levels. Centered around our theme of Honesty, these moments remind us that true growth is about taking responsibility and building strong character. These core values lie at the heart of our journey, inspiring us to learn, lead, and make a meaningful difference every single day.

Best Regards,

Editor in Cheif
